

POCKETKNIFE

A survival tool for your brand

We are an insight activated creative agency with a compass that will guide your brand into new territory.

Uncharted territory

The way people do business has changed, and brands are rising to the challenge to meet consumers where they are—whether that's on Facebook, YouTube, in a messaging app, or on a mobile device.

Our compass will guide you

We uncover insights into the content that best resonates with your audience. Whether it's a mobile responsive website, engaging video or a complete brand overhaul—our crew is standing by.

PROBATE, TRUST & ESTATE LITIGATION

Comprehensive Service. Proven Results.

NAVIGATING THE COMPLEX LANDSCAPE OF PROBATE LAW

Lewis Riley LLP was founded to meet the growing need of an aging and exceedingly underserved population in the challenging probate arena. With over fifteen years of experience our Attorneys, Mr. Riley and Mr. Lewis have learned that it can be very difficult to find competent counsel capable of handling litigation matters, while remaining knowledgeable about Trusts, Probate Estates, and Conservatorships.

Experience the difference in working with us.

HOW IT WORKS

The Brightbox Expand platform is a completely automated email marketing program that is perfect for Banks, Credit Unions, Property and Casualty Agents, Health Agencies, Mortgage Firms and Life Insurance Agents. Expand your reach, grow your business and create lasting customer relationships without having to invest valuable time and effort.

AUTOMATED EMAIL MARKETING

Create lasting connections with your audience through powerful, engaging and personalized emails. One optimized email campaign will be delivered monthly to your customers generating qualified leads, increased brand awareness and social engagement.

TERM QUOTE ENGINE

We provide you with your own life insurance landing page with a multi-carrier comparative term life quote engine. Your customers and prospects can compare rates from the industry's most trusted life insurance companies and get a quote.

LEAD MANAGEMENT

You'll receive lead alert notifications when a customer has shown interest. You can also login to your lead management dashboard to get real-time access to your leads.

CAMPAIGN ANALYTICS

Monthly email campaign performance updates allow you to track the overall performance of each campaign. Gain insight into customer engagement by focusing on the key analytics such as unique opens and click-through rates to target customers who have shown interest.
